To Whom It May Concern:

Enclosed is the enrollment packet for the Louisiana Medical Assistance Program (also known as the Louisiana Medicaid program) you requested. It contains a participation agreement, enrollment data and forms with instructions. You should carefully review these materials, including all instructions, before completing the necessary forms.

**The Medicaid Program requires all providers to be state certified for claims to be processed.** After completing the enrollment packet materials, please return all forms to:

Unisys Provider Enrollment Unit  
PO Box 80159  
Baton Rouge, LA 70898-0159

**Please be sure to include any and all Medicare provider numbers you want linked to the Medicaid provider number. If you have applied for a Medicare provider number but have not received the number(s), please submit the number(s) to Provider Enrollment at the above address upon receipt. Claims will not automatically cross electronically from Medicare to Medicaid unless these provider numbers are linked in our system.**

If you have provided services to a Louisiana Medicaid recipient prior to the date you receive State certification, you must send a letter with your enrollment packet stating the earliest date that services were provided to a Louisiana Medicaid recipient. It will be necessary that all eligibility requirements are met at the time of service for Unisys to authorize retroactive eligibility. Any claims submitted prior to receipt of this letter must be resubmitted once the enrollment process is completed.

The Unisys Provider Enrollment Unit will take necessary steps to certify you as a provider and participant in the Louisiana Medical Assistance Program. Upon Certification, you will be notified of your Medicaid provider number that must be used for billing. Also, Unisys Provider Relations will forward a provider manual to you. If manual is not received within two (2) weeks of notification, please notify Provider Relations at (800) 473-2783 or (225) 924-5040.

If you have any questions concerning the completion of this enrollment packet, please contact the Provider Enrollment Unit at the above address or at (225) 237-3370. Thank you for your cooperation.

Sincerely,

RE: Dispensing Cost Survey

Dear Pharmacy Provider:

All pharmacy providers requesting enrollment in the Louisiana Medicaid Program are required to complete the enclosed Dispensing Cost Survey.

As a new provider, or when changing ownership, you are only required to complete Part I and the Declaration by owner and/or preparer. The survey must be returned to the Bureau of Health Services Financing and approved prior to your pharmacy and receiving a provider number.

Should you need assistance in completing the cost survey, please feel free to call 225-342-9768. Your assistance and cooperation are appreciated in completing this mandatory participation requirement.

Sincerely,

M. J. Terrebonne, P.D.

**PURPOSE**

The purpose of this survey is to determine the cost of dispensing prescriptions in the State of Louisiana. Complete these forms using your most recent fiscal year ending.

**WHO MUST FILE**

All pharmacies that are Louisiana Medicaid providers must file this cost report.

**Retail Pharmacies**

This survey is designed so that most retail pharmacies can complete it by using their most recent federal income tax return. **Remember to round all amounts to the nearest dollar or whole number.**

**Retail Chain Pharmacies**

Expenses incurred by chain pharmacies such as administration, central operating, or other general expenses should be allocated to individual units. **Warehousing expenses must be either separately identified or included in cost of goods sold.** Methods of allocation must be reasonable and conform to generally accepted accounting practices. Please explain any allocation procedures used.

**PART 1 – PHARMACY ATTRIBUTES**

The information gathered from your answers to these questions will be analyzed to determine its relationship to your cost of dispensing a prescription. You may have to provide estimates for some answers; please estimate as carefully and accurately as possible.
